COMMENTS INVITED ON APPLICATION OF TELESTRIDE, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-124
Comp. Pol. File No. 1220

Comments Due: June 18, 2015

Section 214 Application **Applicant: TeleStride, LLC**

On May 6, 2015, TeleStride, LLC (TeleStride or Applicant), located at **1300 N. 17th St., Suite 1100, Arlington, VA 22209**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in McClure, OH (Service Area).¹ On May 29, 2015, TeleStride filed an amendment to correct certain deficiencies in its application and update the record regarding the notice provided to customers.² Accordingly, TeleStride's application is deemed complete as of May 29, 2015.

TeleStride indicates that it currently offers local exchange, switched access, and Internet access services in the Service Area. TeleStride states, however, that it plans to discontinue all telecommunications services (Affected Services) and Internet access service in the Service Area on June 15, 2015, or as soon thereafter as the necessary regulatory approvals can be obtained. TeleStride submits that the public convenience and necessity will not be impaired by the proposed discontinuance because only one remaining customer continues to receive the Affected Services from TeleStride, and that customer has been given notice that provides ample time to acquire any of the many substitute services that are readily available. TeleStride states that it emailed notice of the proposed discontinuance to the affected customer on May 5, 2015 and that it subsequently sent notice to the customer by first class mail, postage prepaid, on May 6, 2015. TeleStride further represents that, on May 29, 2015, it mailed a revised notice to the one remaining customer by first class mail, postage prepaid, that is consistent with section 63.71(a)(5)(i) of the Commission's rules. TeleStride asserts that it is considered non-dominant with respect to the services to be discontinued.

¹ See Section 63.71 Application of TeleStride, LLC for Authority to Discontinue Services, WC Docket No. 15-124 (filed May 6, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001030971> (Application).

² See Letter from James U. Troup, TeleStride, LLC, to Marlene H. Dortch, Office of the Secretary, Federal Communications Commission, WC Docket No. 15-124 (filed May 29, 2015) (posted in the ECFS on May 29, 2015) (Amendment Letter).

In accordance with section 63.71(c) of the Commission's rules, TeleStride's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies TeleStride that the grant will not be automatically effective. In the Application and revised notice to customers, TeleStride indicates that it plans to discontinue the Affected Services in the Service Area on June 15, 2015, or as soon thereafter as the necessary regulatory approvals can be obtained. Accordingly, pursuant to section 63.71(c) and the terms of the Application and notice to customers, absent further Commission action, TeleStride may discontinue the Affected Services in McClure, OH on or after **July 4, 2015**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **June 18, 2015**. Such comments should refer to **WC Docket No. 15-124 and Comp. Pol. File No. 1220**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
